Mr. Harold W. KRUGER  
International Hotel  
Idlewild Airport  
NEW YORK, U.S.A.

Dear Mr. KRUGER:

Last Saturday May the 6th, I was at your hotel, at Idlewild, and you were kind enough to trust my statement that I was the more important shareholders of an hotel in Isla of Menorca. I had not at that time anything to show you but here at the associate of mine I found these three pamphlets about the said hotel.

I thank you again and I hope to see you next October at the same place.

Very truly yours,

Fernando A. RUBIO M.D.
