After the beautiful days and the wonderful book presentation, we are back in Mongofre and my first think is to send you my deep appreciation for your hospitality, kindness and celebrations.

Jacqueline and I hope that you received the flowers we sent from New-York. Many shops were closed while we were in New-York and I have no confidence at all in the flowers shop from the Waldorf Astoria Hotel in the Lexington Avenue Side.

We are sailing on the Addaya after tomorrow and we hope that you will be at the Excelsior Hotel in Napoli on the 31rst of July.

I don't know now the telephone number of the Addaya, via satellite but I will give you later on.
