MR. KIT COLPACH
GRANTORPET
VASTERVIK Sweden

Dear Kit,

Arriving few days ago from my annual cruize around the Mediterranean, I found your postcard with your picture of you and the sea-lion.

Please tell me as soon as possible where are you going back on the Society Explorer on March 27th 1989? If the cruize is good, I will try to have a cabin for Jacqueline and I.

Hope you are all right and I send you our love.
