Estimat Professor Rasico,

Thank you very much for your letters, your program and information about the "Col.loqui d'Es-
tudis Catalans".

Fighting all kinds of problems, I finally ar-
ranged my schedule : I shall arrive in Sant- Petersburg
Tampa on the 17een March evening.

I plan to stay in the Holiday Inn USA but I still
don't have the proper reservation which I will try to
get today in a Mahon travel agency.

You asked me to talk some words in Sant Augustine
what I will be honored to do .

I just have been nominated "President d'honor del
Ateneo Artistic i Cientific de Maó" and I am very happy
with it. I have been in the Montserrat Monastery and I
have been told by Most Reverend Abbad Cassià just that
your book will be ready in a month or short. If you plan
to present your book in Menorca, I shall be in the island
from April 1rst to May 17th. Precisely, on that 17th of
May, I shall throw a big lunchon for the members of the
United States Leage Naval who come early to the island
to commemorate the glory of Amiral Farragut who was a
menorcan too.
