Mr. Kenneth Beeson  
138 St. George Street  
ST. AUGUSTINE, Flo 32084

My dear mayor and friend,

Following your wishes, I have contacted the mayors of Mahon and Ciudadela (now we say Maó and Ciutadella) and they agree in principle about the brother-hood between Sant Augustine and theirs cities.

They wish to have your direct point of view addressed officially to them.

Please send me your replies addressed to each one of the mayors and I will do the rest.

We have had Professor Philip Rasico for a few days in Menorca and now we are looking ahead to your visit next autumn.

Kind regards,

Fernando A. Rubió
