WATAMU, Coast Province
Kenya.

Dear David,

My very good friend, Borja Carreras Moysi, Mayor of Mahón, city capital of the island of Minorca, is planning a journey to Kenya to see wild life as much as possible.

He will contact you any day in the near future.

In the meantime, I would like you to send me a project of 3 weeks journey to Kenya in February or the beginning of March. It will be only a photographic safari with my wife. Of course, if it would be possible to shoot a big elephant with enormous tusks, I would be delighted to affront this occasion.

I give a copy of this letter to Mr. Carreras Moysi and I beg you to treat him and his wife imperiarly as a very good friend of my family for the last 90 years.

I remain as ever, very cordialy yours,
