Dear Susan,

I hope the New Year is good for you and Mike. Here we are all very well.

As I told you in my previous letter, we are arriving on February 25th or 26th, depending on the date line.

We take off from Guam on the 25th of February on Continental Airlines flight 4036, arriving Los Angeles at 6.45 p.m., I guess on the same day but I am not absolutely sure.

We shall stay for 2 days and half at the Beverly Wishire Hotel, as usual.

Happy to see you soon.
