Dear Sir,

Thank you very much to have invited me to the dedication of Santa Fe Community College - Starke Center that have taken place on last march 15. Unofortunately at that time I was in the South Pacific Islands watching the Comet Halley and I just come back yesterday home in the island of Menorca.

I am very sorry not having be able to attend.

I take the occasion to ask you if your College is prepared to exchange scholarships with young boys and girls from the island of Menorca.

As you probably know I am connected with the minorcand of Saint Augustine and New Smyrna being personally an Honorary Citizen of Saint Augustine, Florida.

Thanking you again, I am

Cordially yours,
