Thank you again for your nice hospitality.

My stay in Sant Augustine has been sad but thanks to you and your family, it has been at the same time a delightful experience. Thanks to the great amability of all of you!

I found the pictures of dear X. that you'll like to have. I will mail them ~~as soon~~ as soon as the copies are ready.

As I told you, the Mayor Beeson is arranging a Menorcan's Club and he tries to come to the island, next ~~oc~~tober. Please do join them!

Best regards to the family.
