

Barcelona, January the 31st, 1969.

Mr. Bernard Hurwitz,
"Manhattan Marine",
116, Chamberstr.
New York C.

Dear Mister Bernard,

Sorry to bother you, but after the shipment of the three
"Raritan Crown Head", two of them arrived absolutely broken.

We made the claim to the customs in the airline and they are
discussing the matter.

The broken parts are only the porcelain, as all the machinery
is in perfect order.

I shall be in New York at the end of March and I beg you to
have ready for me the two bowls of porcelain, in replacement
of the broken ones. I shall carry the two bowls with me
on my fly back to Spain, after getting them up at your office.

Waiting for your kind reply and thanking you very much in
advance, I remain, dear Mister Bernard,

Yours faithfully,
